
Percussion Ensemble Audition Requirements

1. PREPARED SELECTION

Students will prepare one (1) etude on an instrument of their choosing (snare drum, timpani, or keyboard percussion) that best represents the student's current playing level. This selection should total no more than three (3) minutes.

2. SIGHT-READING

Percussionists will complete a brief sight-reading audition on the following instruments:

- Snare drum
- Timpani
- Keyboard percussion

Students will have one (1) minute to review each sight-reading passage before being asked to play.
